

Laughter Exercise Photo Flash Cards

Multi-Use License - Quantity Orders

The Laughter Exercise Cards are a copyrighted work which required hundreds of hours in assembling images and text, editing, designing, translating, etc. When you purchase the publishable files, this represents a license for you to print them for a single use (one deck only). You may not make copies to give to others (even at no charge), and you expressly may not make copies to sell to others. Such action is a violation of copyright.

* You may purchase a license to make multiple copies, priced as follows:

\$14.95 first deck, \$4.95 each additional

Example:

You are going to supply a group of 15 people so that each person can have the files to produce their own deck of cards.

1st deck: \$14.95

Decks #2 to 15: 14 @ \$4.95 each -> \$69.30

Total for license to publish 15 decks = \$84.25

You may provide these at no charge to your group, or you may re-sell these files (for 14 additional authorized decks) at any price you wish. (Contact us for even deeper discounts on licensing 50 or more copies.)
